

THE YARD CORFU

AUTHENTIC BOUTIQUE HOTEL & SPA

Treat yourself to an authentic wellness experience.

At The Yard Corfu Authentic Boutique Hotel and Spa, in collaboration with the award-winning Greek brands Onar and Ariadne, we have created a refined space dedicated to the luxurious care of body and spirit.

The owner, Ms. Voulgari - a woman with a deep love for the island's history and culture - envisioned a place of spiritual and physical renewal, where ancient wisdom meets the modern concept of wellness.

Nestled among lush olive groves and inspired by the historic Roman baths just steps from the hotel, she has designed a unique journey of well-being.

The richness of Greek nature, with its healing herbs, essential oils, and effortless beauty, forms the foundation of every treatment.

Surrender to the wisdom of the past
and the power of nature.

Discover a new dimension of wellness.

Shower: A quick shower before your session is refreshing and appreciated - especially if you've been physically active.

Comfort & Privacy: During your session, you will be draped at all times, with only the area being treated uncovered. You are welcome to keep your underwear on if you prefer.
